There's no place like home – it's the little corner of our world where we can truly be ourselves. Every photo, furnishing and choice of colour says as much about our personality as the clothes we wear. ## “Give your decor a new lease of life with our fantastic new home range”

Dear Orchard Member,

Home is where the heart is, a retreat from the outside world and the one place where we can be ourselves. It's important that our homes reflect our personalities, making them inviting and looking and feeling just right for you. Here at Tesco we're just as passionate about creating attractive, functional and affordable homeware as you are about turning your home into your own personal haven. Which is just as well, because we have a whole new range spanning five distinct themes to update your home without breaking the bank.

### Get a little extra

As a member of the Orchard, your coupons entitle you to £5 off any of our homeware products. So regardless of whether you're looking to add a few new pieces to your decor or you're having a complete home makeover, you'll be able to make a welcome new addition with a little help from us. From beach chic to Moroccan magic, there's something in the new Tesco home range to suit your style of decor.

### Share your thoughts

The Orchard is fuelled by your insightful feedback, so be as honest with us as possible about the products you try - we'd really love to hear what you think about our brand new home range. Why not get talking online through Facebook and Twitter, in person with family and friends or directly to us via the Orchard Programme Homepage. We can't wait to hear from you.

### Keep it up

How's this for a deal? The more you get out there and talk honestly about the new Tesco home range, the more invitations you'll receive from the Orchard at Tesco in future. To help you get the conversation started about our homeware, head to your Activities Checklist on the Programme Homepage and you'll find a host of different ways to share your thoughts.

So head down to your local Tesco or shop online at Tesco.com and pick out some contemporary pieces to brighten up your home and then get back to us and let us know how it all went. Easy!

Enjoy, this one's on us,

The Orchard Team
